SUMMARY

I'm a flexible and reliable software developer from Kwewe who likes solving problems by building reliable and scalable digital solutions

EDUCATION

High School

St Patrick's High School, Gweru

01/2024 – Present

I'm currently enrolled in High School at St Patrick's High School in Gweru

Foundational Csharp

Freecodecamp

01/2025 – 06/2025

I used Freecodecamp for my Foundational Csharp certificate where I gained my robust knowledge and skills with Csharp

PROJECTS

St Patrick's Management System

<https://github.com/SibusiZW/st-patricks-management-system>

11/2024 – 09/2025

A simple school management system made with C#. Originally made for St Patrick's High School in Gweru, Zimbabwe.

St Patrick's LeadSelect

<https://github.com/SibusiZW/lead-select>

An automated voting system for St Patrick's High School where students can vote for other students for important posts in the school

St Patrick's EchoLink

<https://github.com/SibusiZW/echolink-system>

School Wide Emergency & Announcements System for St Patrick's. Made using Next.js and Supabase

CLI Library Management System

<https://github.com/SibusiZW/cli-library-management-system>

Command-line Library Management System made with Python & JSON.

SKILLS

Python

Programming Language

Django

Python web framework

Typescript

Programming Language

React.js

Frontend framework

Next.js

Full-stack React.js framework

Git

Version Control System

Problem solving

.NET

Cross platform application framework

CERTIFICATES

Foundational C# with Microsoft [↗](#)

C# Certification from Freecodecamp and Microsoft

Python Certificate from Kaggle [↗](#)

An introduction to Python certificate

Intro to Machine Learning from Kaggle [↗](#)

An introduction to basic ML practices

NOTABLE EXPERIENCES

NOAI 2026 Pioneer

11/2025 – 03/2026

I competed in Zimbabwe's first National Olympiad in Artificial Intelligence. Unfortunately I didn't advance to the Pan-African Olympiad but, I'm recognised as one of the pioneers of the competition

Prize Giving Tech presentations

09/2025

I presented my project of the St Patrick's Management System to the then Minister Of Primary and Secondary Education, Dr. Hon. Torerayi Moyo on 27 September 2025
